Houston is the best place to make contact with whale-oil smugglers, but the darker corners are full of strange horrors.

You can take +1 to acquire an asset related to whale-oil here, at the cost of **2 stress**.

FASHION IS DANGER: When touched or otherwise triggered, the gowns and jewelry suddenly spring to life, stuffing themselves onto you! They fit perfectly but won't come off. Beyond attaching themselves to intruders, these statement pieces are cursed with more attributes that will impede your escape.

DRESSED TO IMPRESS

Optionally, roll (or have players roll) on the tables below or come up with an appearance and a curse for each gown. Roll twice for appearance and combine choice details. Roll once for a curse.
